# CORPORATE PROFILE

[www.finsburyheinz.com](http://www.finsburyheinz.com)

# INTRODUCTION

As Occupational safety, health and environmental issues gain more significance with organisational strategic planning, many businesses are finding it increasingly difficult to coordinate and implement an effective safety process, as well as provide training expertise at a nominal expense.

Organisations must have extensive business continuity plans in place to deal with events that could impact on their operations.

## WHY FINSBURY HEINZ

At FINSBURY HEINZ LIMITED, we deliver customised, flexible and state-of-the-art QHSE services you need to protect your employees and assets, reduce losses and insurance costs, ensure compliance with federal and state legislations, and protect your hard-earned reputation.
